

**2 OF EVERY 100
AMERICANS IN
THE WAR DIED**

War Department Issues Statistical Summary of the War

[By The Associated Press]
WASHINGTON, June 26—American casualties during the 47 day Meuse-Argonne offensive aggregated 120,000 men, or ten per cent of the total of 1,200,000 engaged, according to a "statistical summary of the war with Germany," prepared by Col. Leonard P. Ayres, chief of the statistical branch of the general staff, and published by the war department.

"Of every 100 American sol-

diers and sailors who took part in the war with Germany," the report said, "two were killed or died of disease during the period of hostilities. In the northern army during the civil war the number was about 10. Among the other great nations in this war, between 20 and 25 in each

Best information obtainable by the general staff places the total battle deaths for all belligerents at 7,450,200, divided as follows:

Russia	1,700,000
Germany	1,600,000
France	1,385,300
Great Britain	900,000
Austria	800,000
Italy	330,000
Turkey	250,000
Serbia	125,000
Belgium	102,000

Rumania,	100,000
Bulgaria	100,000
United States	48,900
Greece	7,000
Portugal	2,000

American participation is summarized in the report in the following table:

Total armed forces, including army, navy,

marine corps	4,800,000
Total men in the army	4,000,000
Men who went overseas	2,085,900
Men who fought in France	1,390,000
Tons of supplies shipped from America to France	7,500,000
Total registered in draft	24,234,021
Total draft inductions	2,810,296
Cost of war to April 30, 1919	

21,850,000,000.
Battles fought by American
troops, 13.
Days of battle, 200.
Days of duration of Meuse-Ar-
gonne battle, 47.
American battle deaths in war,
50,000.
American wounded in war,
226,000.
American deaths from disease,
56,991.
Total deaths in the army, 112,-
422.

Under the head of "sources of
the army" the report shows that
33 per cent came from the regular
army, ten per cent from the
national guard and 77 per cent from
the draft.

A concise history of the mili-
tary operations in which Amer-

German troops took part is given in a chapter headed "two hundred days of battle." Attention was called to the fact that two of every three American soldiers who reached France took part in battle.

FINE HUN FOR NOT SALUTING U. S. OFFICER

CORLENZ, Tuesday June 24.—By The Asad. Press.—Captain Sachse, assigned by the German army to duty in Coblenz, was fined 1,000 marks today for refusing to salute an American captain. The captain considered the war was over and that, anyway, the regulations do not call for his saluting officers of lower grade. This is the first instance of an action of this kind since a definite truce was taken for the peace situation.

American officers say that

After the treaty of peace is signed, the regulation issued last December compelling German officers to salute will probably not be enforced.

OWN NON-PARTISAN LEAGUE MEASURES

Fargo, N. D., June 26.—First reports on the referendum election held today in North Dakota show seven measures of the non-partisan League passed by the vote so far received was almost two to one against the measure.

MEN IN UNIFORM.

In the parade of soldiers in Springfield Tuesday it was noticeable that nearly all the men wore their uniforms. The soldiers were simply requested by the Sangamon county committee to wear uniforms and it was made clear that the men would be cordially welcome in civilian clothes if they were unwilling to put on their army "togs."

Fully ninety per cent of the men recognize that the uniform would give the desired military touch

to the parade, for which there could be no good substitute. Locally the committee has taken the same attitude and it is quite likely that most of the ex-army men will appear in uniform and so make a distinct contribution to the effectiveness of the parade.

PERMANENT BORDER POSTS

Just about the most sensible thing that has been done on the Mexican border is the establishment of forty army posts by the war department. There are permanent buildings now with appropriate housing for the soldiers on guard. The equipment will lessen the hardships of service on duty there the surroundings to which they are justly entitled. Until conditions change very materially in Mexico the long line of posts on the international border is very necessary.

A law has been proposed to abolish the department of the interior at Washington and to establish a department of public works. Every little while a suggestion is made of an addition to the cabinet. What the country needs is not changes in names of departments or additions, but a broad and efficient management of the departments already in existence by men with seasoned experience.

A SENSIBLE VIEW.

That is certainly a wise provision in the prohibition law whereby alcohol can be released from bond without expense to use in the checking of any epidemic. In disease conditions in the past alcohol has often been one of the most effective agencies of combat. Congress by making the provision referred to has evidenced the spirit of not wishing to make the prohibition laws obnoxious.

PERSONAL DECLARATION OF INDEPENDENCE.

Back in 1776 there was born a youngster in the world of nations. We are about to celebrate the day on which the American Declaration of Independence was signed. Benjamin Franklin was one of the signers of that Declaration. He believed in personal as well as national independence. That is why his picture is on the War Savings Stamps this year.

The War Savings Organization is engaged in teaching the people how to sign a personal Declaration of Independence. The government realizes that education is a failure unless it prepares for all the problems of life.

Learning to read and write alone will not make a person ready to grapple with the problems confronting him on every side. Neither will a knowledge of history alone prepare a student for his life's work. It takes a well-rounded education to make a well rounded man or woman.

The man or woman who learns to make money has learned only half. It is the knowledge how to spend it sanely, save it wisely and invest it judiciously that must be acquired to assure success. Thrift is power.

A thrifty, prosperous citizenry assures a thrifty, prosperous nation and the one constantly interacts on the other. The citizen's interests and his country's interests are identical. Money saved safely expands industry and enterprise. It provides steady employment and makes the country stable and prosperous.

It is not everybody who can get rich quickly. But everybody can sow seeds of fortune by investing in War Savings Stamps.

Every time a name is affixed to a War Savings Certificate, if it is backed by a determination to save regularly, a personal Declaration of Independence is signed.

Rippling Rhymes

By Walt Mason

DO IT NOW
If there's work that should be done, do it now; if you wish to borrow money, do it now; putting off from day to day is a foolish slipshod way, and such methods never pay—do it now. If you'd like a business man, do it now; if you ought to get a hen, do it now; if you're billed to trim the lawn, do not wait the morrow's dawn; you may then be dead and gone—do it now. If you'd build yourself a home, do it now; oh so many fellows cry, "We have plans for by and by." If you'd climb to places high, do it now. If you'd renovate your life, do it now; if you'd cheer your weary wife, do it now; it is vain to sit and wait till you get your mood on straight; if you ought to pull your freight pull it now. If you'd buy next winter's coal, buy it now; if you wish to save a roll, save it now; for no man can rise and say what may happen when today is worn out and laid away; do things now. If you'd demonstrate your love, do it now; if you hope to make a hit, do it now; for this idler cuts no ice, and the dreamer lacks the price; if you'd get there once or twice, do it now.

CAPT. STUART RUSSEL TO LAND JULY 2

Mrs. Stuart Russel was yesterday in receipt of a cablegram from her husband, Capt. Stuart Russel, which brought the welcome news that he is on board the Rhode Island enroute to the U. S. and expected to land in Newport News July 2. Mrs. Russel expected to leave this morning for Peoria where she will join Mrs. Alford whose husband is also on board the Rhode Island, and together they will proceed to Newport News to meet the returning soldiers. Capt. Russel has spent the past eighteen months in the overseas service and is naturally very anxious to again be with his family.

Matrimonial

Walton-Duncan.

Standing before an altar constructed with flowers and foliage, Alonzo Robert Walton of Normal, Ill., and Miss Hazel Belle Duncan of this city were married Thursday evening at Mt. Emory Baptist church.

The ceremony had both the dignity and the simplicity which are appropriate to weddings of these days. The ring service was used and the solemn words were said by Rev. A. E. Crockett pastor of Mt. Emory Baptist church.

As the guests were assembling Mrs. M. L. Mackey sang an appropriate wedding song. While Mrs. Edward Mallory played the wedding march from Lohengrin, the bride party approached down the aisle of the church. First came the ushers, Carl Spencer, Dennis C. Mason, Howard Berry, Lefus Higgins, John Douglas and William Berry. Next came the six bridesmaids, Misses Carrie Melton, Mildred Brown of Normal, Grace Moore, Gladys Moore, Reon Hamilton, and Slater Oliver. They were gowned in varying hues and added to the rainbow effect. Following them came two other bridesmaids, Misses Arra Mallory and Eleanor Lafayette of Jacksonville. They preceded the bride of honor, Mrs. Clarence Duncan of Chicago, whose gown was of pink crepe de chine. Mrs. Duncan carried a shower bouquet of pink roses.

The bride came attended by her father David L. Duncan. Her gown was of white georgette with a flowing veil of tulle. She carried a bouquet of brides roses. Standing in front of a bank of foliage the bride party was met by Mr. Walton, and George Thomas Duff and the ceremony was performed. The congratulations and good wishes were of the heartiest kind. The wedding supper was served in the dining room of the church.

The bride is the daughter of Mr. and Mrs. David L. Duncan and was born and reared in this city. She graduated from the Jacksonville high school with the class of 1917, and then attended Illinois State Normal University at Normal. She also studied music under Prof. O. R. Skinner of Bloomington. She will continue her study of music. She was a faithful member of Mt. Emory Baptist church and was organist and teacher for a number of years. She is also secretary of the Wood River Baptist Teachers' Institute. Her going from Jacksonville will be especially a matter of regret.

Mr. Walton is the son of Mrs. Clara Walton. He attended the schools of Aurora and the Illinois State Normal University. He was a corporal in the (old Eighth regiment) (370th Inf.). He served as an orderly of Col. Otis B. Duncan. He was awarded a U. S. distinguished service cross for bravery under fire.

The flower girls were Emma Elizabeth Watson and Sarah Elizabeth Barnett.

The ring bearer was Harriett Emaline Mosely. Mary Margaret Patton carried the bride's train.

Mr. and Mrs. Walton left on the Hummer for their home in Bloomington.

RETURN FROM INDIANA VISIT

J. C. Ewing, wife and daughter, of Alexander, have just returned from a two weeks' visit in Anderson, Ind., the trip being made by auto. The object of the trip was to visit a brother there and to attend the sessions of the Annual National Camp Meeting of the Church of God. Mr. Ewing states there were more than one hundred ministers and evangelists present from all parts of the United States and Canada and thousands of visitors.

Miss Annie Ferguson of this city went with the Ewing family, and John Eady, wife and two children of Watery and Mrs. C. C. Cox of Springfield, also motored over.

Mr. Ewing says crops of all kinds look good, that there appeared to be some down grain but on the whole everything pointed to record harvests.

SUIT FILED.

A suit in assumption has been filed by J. O. Priest as attorney for Daniel P. Smith naming J. A. Paschal as defendant. The praecipe indicates that damages in the sum of \$1,000 are asked. It is understood that the suit is the result of a misunderstanding with reference to the commission on a sale of land.

PANAMA HATS.

FRANK BYRNS' Hat Store.

INTERSTATE TRAVELLERS

Col. E. A. Foster and wife of Detroit drove into the city yesterday on their way to Denver where they expect to remain a few weeks and then proceed to Los Angeles, California. They have been staying a time at Colorado Springs, Colorado and decided to see the Sucker State so came eastward by the southern way thru St. Louis and on to Springfield, Ill. They expected to put up at the Hotel last night. They are fixed for camping if at all preferable but generally put up at hotels as they go along.

They have generally found good roads with the exception of a strip in Missouri. Colonel Foster says he has traveled 2,770 miles with his Ford car and has not had a puncture, a blow out or mishap of any kind and has not used a tool on his car once. He keeps it well supplied with gas and oil and goes ahead making right at thirty miles an hour on good roads.

Funerals

Maddox.

The remains of the late Thomas H. Maddox were brought to Jacksonville Wednesday afternoon and interment took place at Diamond Grove cemetery. The main service was held at the residence in Chatham Wednesday morning at 11 o'clock, where a large company of relatives and friends had gathered. The services were in charge of Rev. C. M. Corridge pastor of the Methodist church of Chatham, and were of a very appropriate kind. The minister took as his text the well known verse: "Know ye not that there is a prince and a great man fallen this day in Israel."

The deceased had been active as a member of the Methodist church and the minister referred to his interest in the work and his constant willingness to serve. Mr. Maddox was of genial spirit and charitable always. He practiced in his daily life the religious teachings of the church and was a man of wide influence. His death, which resulted from an accident which happened a few weeks earlier, was a great shock to the people of the Chatham neighborhood, as Mr. Maddox was known to them all and held in great esteem.

When the house service had been conducted the cortege moved by automobile to this city and burial took place in Diamond Grove cemetery. The minister conducted a brief service and then the grave was made beautiful with flowers, in charge of Mrs. Clinton Brennan and Miss Eunice Pulliam of Chatham. The bearers were intimate friends of the deceased living in Chatham.

As previously mentioned, Mr. Maddox had thru the years become one of the most prominent grain men in Illinois and a number of representatives of the state grain dealers association attended the funeral services. The names of relatives here for the funeral have previously been mentioned.

CULLEN C. GATES IS AMONG RETURNED SOLDIERS

Cullen C. Gates has recently returned after an extended period of army service, and is now at the home of his grandmother, Mrs. W. P. Six, in Franklin. Young Gates enlisted in May 1917 and was first located at Jefferson Barracks. Later he was transferred to Fort Snelling, Minn., then to Fort Cook, Nebr. and Fort Leavenworth, Kans. From the latter point he went to Camp Wadsworth, N. Y., and on July 6, 1918, sailed for overseas service.

Upon arrival in France the Morgan county man was assigned to the 6th field signal battalion medical detachment. After the signing of the armistice he was transferred to the army of occupation and served one month in Germany. The return journey was made on board the Mt. Vernon which landed in the U. S. June 19. His many friends in Franklin precinct are glad to welcome him home and to hear his narration of army experiences.

WOODSON SOLDIER VISITOR IN CITY

William W. Sartor of Woodson who has recently been discharged from the army service, was a visitor in the city yesterday. The young man served for a time in the infantry branch of the army, later was transferred to the artillery and the latter months of his service were with the quartermaster's department.

W. H. Deppe of Beardstown was in the city yesterday on business with C. J. Deppe.

Banquet and Program for Litterberry Soldiers.

The returned soldiers of Litterberry precinct were guests of honor at a banquet and program given by the people of the Litterberry Christian church Thursday evening. Eleven soldiers were present, in addition to about 200 other persons, and all greatly enjoyed the occasion. The committee on arrangements included Mrs. J. W. Martin, Mrs. John Young and Mrs. L. H. Maul, and which would add to the success of the evening. Following the banquet the program outlined below was carried out:

Song—America.
Prayer—Orville Crum.
Address—Rev. C. E. Keltner.
Prayer—Albert Crum.
Piano solo—Mrs. Edith Crum.
Song—Miss Anderson.
Duet—Misses Edith and Buelch Peteish.
Reading—Miss Anderson.
Song—Virgil Lee Davis.

Miscellaneous Shower for Mrs. Fred Carter.

The G. T. S. club of Markham gave a miscellaneous shower at the home of Mrs. Oliver Stout Wednesday afternoon, in honor of Mrs. Fred Carter who was recently married. The guest of honor received a large number of useful and handsome gifts, which were presented following the regular business session. A contest afforded much merriment. Mrs. Allinson Thomson winning the first prize and Mrs. Johnson carrying off the consolation prize. Delicious refreshments were served during the afternoon.

The company included Mrs. William Paschal, Mrs. Emory Carter, Mrs. Marshall Stout Mrs. Allinson Thomson, Mrs. Ralph Long, Mrs. Johnson, Mrs. Douglas Hunt, Mrs. Wilbur Williams, Mrs. Fred Carter, Mrs. Oliver Stout, Miss Nettie Nash, Miss Mary Wolfe, Miss Norma Perbix and Miss Myrtle Paschal.

The Junior Christian Endeavor society of Central Christian church enjoyed a picnic at Nichols park Thursday. The affair was under the direction of the Mothers' association. The children gathered at the church at 10 o'clock and were taken to the park where the day was pleasantly spent. There was plenty to eat and the children spent the day in playing games. Mrs. May won the mother's running race. Mrs. Volter won the mother's ball throwing contest. Phil Darr and Junior Barr won the three-legged race. Junior Barr and Merrill Moe won the human wheelbarrow race. Rhoda Olds won the distance race for girls and Ernest Olds the ball throw. When the day ended the children returned to their homes tired but happy.

Domestic Science Round Table Held Last Meeting.

The Domestic Science Round Table held the last meeting of the club year at Grace church Thursday. In the absence of the president, Mrs. Herbert Capps, Mrs. J. F. Claus presided. It was the annual business meeting and reports of committees were received. Officers for the ensuing year were chosen. They are:

President—Mrs. Orien E. Tandy.

First vice president—Mrs. G. R. Bradley.

Second vice president—Mrs. Clyde Singley.

Secretary—Mrs. Joseph Mallen.

Treasurer—Mrs. Bert Killam.

Mrs. A. A. Curry and Mrs. J. J. Reeve were the hostesses and with their assistants served refreshments.

A resume of the club work for the past year was given by Mrs. Ben Lorton. It showed that the organization had been active in a wide field and the report proved of great interest.

The first meeting of the round table for the coming club year will be held in October.

J. O. Terrell of Winchester called in the city yesterday.

Miss Ruth Duncan of Mount Sterling made the city a visit yesterday.

Everett Waters expected to go to Chicago today to resume the position he left with Morris L. Rothschild when he went to war. He will be a valuable addition to any force with which he may be connected.

James B. Davis of the vicinity of Winchester was a traveler to the city yesterday.

C. B. Beauchamp of Meredosia has recently received his quitting paper from the government and is home with his friends.

Miss Annie Exmore of New Berlin made a trip to the city yesterday.

Charles Wilcox of the region of Concord was a traveler to the city yesterday.

K. Green was down to the city from Peoria yesterday.

L. Y. Gagnies of Hannibal was added to the list of city callers yesterday.

E. O. Green of the east part of the county was in the city yesterday ready to return home. A few days since Dr. Gregory removed from Mr. Green's eye a cataract and yesterday performed a minor operation.

Stated assembly of Jacksonville Council No. 5, R. & S. M., this evening. Refreshments. Visiting companions welcome.

Geo. F. Haigh, T. I. M.
John R. Phillips, Rec.

IN THE MIDST OF WHEAT HARVEST

Harvesting work is now well under way on Morgan county farms and this is true in all parts of the county. The fact that the grain has ripened rapidly in recent days has made the demand for men even more acute than was true last year. The fact is too that the wheat acreage this year is larger than ever before and the requests for men to shock received at the office of County Agent G. B. Kendall are now numerous every day.

Yesterday clerks from a number of business houses were engaged in threshing work and if the demand keeps on it is likely that a general request will come for store workers to be released a certain number of hours each day, in order to provide the farmers their needed help.

CAPS AND BANNERS FOR JULY 4 PARADE

The caps which will be presented to the children who march in the parade on July 4 have arrived and are in several styles and quite nobby. The banners, which have also arrived, are oil painted and bear the words "Welcome Home Heroes." These banners will also be given to all children who march, and will serve as attractive souvenirs of the day. All children of the city are expected to take part in the parade and it is hoped that a large number of them will do so. Parents of children need have no fear of accidents as the committee has taken every precaution and the children who march will have the protection of their teachers; in addition to about a hundred marshals.

Ford roadster, bargain if taken at once. Martin Bros.

WINCHESTER NEWS NOTES

Winchester, June 26.—Mrs. Maude North of Jacksonville was the guest of her sister, Mrs. Arthur Markillie and family, Wednesday.

Orville Smithson of Beech Grove, Ind., was called here by the death of his cousin, Harvey Smithson.

Albert Buckley has returned home after receiving an honorable discharge from the overseas service.

Edmund Stoff of Moline is visiting at the home of his uncle, Edward Balsley and family.

The Ladies Aid society of the Presbyterian church met Thursday evening at the home of Mrs. Martha Paul. After a business session a social time was enjoyed and refreshments of ice cream and cake were served.

Emory Waid has accepted the position of manager and bookkeeper of the Farmers Elevator.

Winchester received two carloads of oil and the square was oiled Thursday.

Word has been received here of the marriage of Miss Vera Richart, daughter of Mrs. Cora Rickart, to Carl Snyder of Arion, Ill.

FAMILY RE-UNION AT COLONIAL INN

A very happy family reunion is that at Colonial Inn, the home of Major and Mrs. E. C. Vickery. All of the children and grandchildren are together for the first time in a number of years, and the occasion is being greatly enjoyed by all. Those here for the reunion are Capt. Earl Vickery, wife and daughter, Helen, of Chicago; Mr. and Mrs. John R. Vickery and sons, Edna and Jack, of Chicago; Mr. and Mrs. Edwin C. Vickery, Jr., and son Edwin, Des Moines, Iowa; and Mrs. and Mrs. R. S. Fellows of New York City.

ROCK RIVER CONFERENCE IS NEAR ITS GOAL

The Rock River Conference of the Methodist Episcopal church has subscribed \$12,105,210, according to an announcement made today by Dr. R. J. Wade, executive secretary. The amount apportioned is \$13,417,263 which Dr. Wade says will be secured by July 15th the time given by the Centenary Committee.

This announcement was made before Bishop Thomas Nicholson and thirty district superintendents of Chicago Area left Chicago for Cleveland, O., where there will be a meeting of all the district superintendents of the Methodist Episcopal church. Dr. Wade announced that the last district over the top was Logansport of the North Indiana Conference. Its apportionment was \$480,460 and it secured \$484,682 a surplus of \$4,222. There are now fifteen districts over the top in the Chicago Area, out of thirty one.

"The greatest need of the church today in meeting the problems confronting the world is earnest and intelligent every day consistent living," asserts Bishop John M. Vincent of Chicago, one of the veteran prelates of the Methodist Episcopal church in a letter to the Centenary Exposition at Columbus, Ohio. Bishop Vincent continues: "And that must embrace Piety at Home, Loyalty to Church obligation, Christian consistency in all Political Activities, and that must include freedom from dictation by political and ambitious leaders who are willing to sacrifice principles for partisan success."

SAVE YOUR GRAIN

Here's how—get a "Down Grain Pick-up Guard" from P. W. Fox. A few received Thursday.

Mrs. Lukenbaum of the region of New Berlin was a caller in town yesterday.

E. T. Gaskey was a city traveler from Roodhouse yesterday.

An Uninterrupted Trust

Suppose, in your will, you have created certain trusts which will continue for years after your death. Let us assume that the trustee you have named is an intimate friend or a relative. And suppose he dies, as all individuals must, his death occurring before the completion of the trust. What complications may arise in the choice of a new trustee? What difficulties may be not encountered in taking up and comprehending the affairs of the estate and the plans which governed his predecessor?

Would it not be far better to name a Trust Company—this one—which cannot die, and give your estate the assurance of continuous management, no matter how far into the future the trust extends? At any rate, let us discuss this important matter with you.

MILK SHORTAGE IN BERLIN

Berlin.—Authorities of Greater Berlin entrusted with the distribution of fats and milk declare, in a communication to the Imperial Food Minister, that Berlin is now receiving only 200,000 quarts of milk daily, which is 133 quarts less than the city had a year ago. This, it is said, is sufficient only for children and the sick. The minimum required for the needs of those entitled to milk is about to collapse, say the authorities, who accuse the Food Ministry of failing to take proper measures to relieve the situation.

ENTER HOME STRETCH OF TRAINING GRIND

TOLEDO, O., June 26.—Jess Willard and Jack Dempsey today entered the home stretch on their training grind in preparation for their heavyweight championship contest here July 4th. Before boxing ten rounds at his camp today, Willard weighed 243 1/2 pounds, which is six and a quarter pounds below the weight he made for his championship match with Jack Johnson in Havana in 1915. The champion said he expected to enter the ring weighing about 240 pounds.

The champion merely toyed with his sparring partners this afternoon failing to extend himself at any time. He did not attempt to land any more than a half dozen solid blows and dropped his hands and allowed his sparring mate to wallop him in the stomach and on the jaw.

The challenger boxed the usual six rounds with Bill Tate, the Jamaica Kid and Jack Malone, stepping two with each man. The Jamaica Kid was knocked to his haunches with a wicked right hander to the chin and remained on his knees until the count of six before seeking refuge in a clinch. Altho Dempsey pulled his punches while boxing with Malone the St. Paul welterweight had his teeth loosened when the challenger let fly an uppercut while breaking away from a clinch.

4,500 CITY EMPLOYEES STRIKE IN CHICAGO

CHICAGO, June 26.—Approximately 4,500 city employees were on strike today and the dissatisfaction of 5,000 others took on a more serious aspect. About 1,000 employees on three large public improvements, two bridges and the boulevard link joined the striking street repairmen, sweepers, and garbage and ash handlers who went out Tuesday in the belief that the council finance committee had refused to give them a hearing on their demands for wage increases and vacations.

Today's additions were not strictly city employees but those of contractors and the move was a sympathetic one. The more serious phase of the day's developments was the attitude of policemen, who declared for a strike vote Sunday and the firemen, whose association today demanded a \$500 increase.

The policemen have been tentatively granted an increase from \$1,600 to \$1,700 a year by the finance committee but representatives of 3,500 patrolmen, about 75 per cent of the city's patrolmen met today and insisted on \$2,000.

The 800 city clerks and 400 electricians also are threatening a strike unless given definite assurance by tomorrow noon that their demands will be granted.

WORLD WAR "VETS" MEET IN AURORA

AURORA, Ill. June 26.—The World War Veterans in first national encampment here today adopted resolutions condemning bolshevism and called upon congress to vote an additional \$120 bonus to all men who entered the United States service during the war with Germany. The veterans endorsed "President Wilson's program for farm lands for returned soldiers and rehabilitation of men crippled in the war."

The \$120 bonus, it was stated, in the resolution is a reminder of the \$30 bonus which 24 states memorialized congress to give the men who were in service. In their condemnation of bolshevism the veterans said: "The doctrine means the death of every government and the end of individual opportunity and is an insult upon the sanctity of the home."

At talk of the W. W. V. merging with the American Legion is erroneous, it was declared.

FIND DOCTOR GUILTY OF MURDER OF NURSE

REDWOOD CITY, Cal. June 26.—A verdict of guilty of murder in the second degree was found by a jury here today in the case of Dr. Ephraim Northcott, San Francisco physician, accused of the murder of Miss Inez E. Reed, army nurse.

The jury composed of seven women and five men, was out two hours and eleven minutes. The body of Miss Inez Reed was found in a ravine near San Mateo in this county, on March 8. Death had been caused by an illegal operation.

WILLIAM M. MURPHY DIES IN DUBLIN

DUBLIN, June 26.—William Martin Murphy died here this morning.

William Martin Murphy came into prominence during the transport workers strike in Dublin in the autumn of 1913. He became known as the leader of the employers and gained the reputation of being the backbone of their resistance to the strikers' demands.

ADOPT RESOLUTIONS.

St. Louis, Mo., June 26.—Resolutions declaring radicalism can best be combated by sound moral and religious instruction in the school and demanding the abolition of child labor and the freedom of christian education were adopted at the concluding session of the sixteenth annual convention of the Catholic Educational association here today.

"HILL'S BOYS" MEET

Duluth, Minn., June 26.—"James J. Hill's boys" numbering between 500 and 600 are in Duluth today to attend the convention of the Veteran's Association of the Great Northern Railway. All have been employed by that company for 25 years or more. W. J. McMillan of St. Paul, is president of the association.

PROMINENT YOUNG BUSINESS MAN EN-

DORSES SYSTEM
Mr. J. E. Craig, 3949 Magnolia Ave., St. Louis, Mo., writes, March 3rd, 1919:

"Never again will I suffer as I did before taking SYSTM. I was continually bothered with sour stomach, headache and rheumatism and altho a pharmacist I could not obtain relief until after I had taken several doses of SYSTM. Before finishing the first bottle I had hardly an ache or pain."

SYSTM was originally prescribed by a successful physician in his practice. It produced such remarkable results in the treatment of rheumatism, gout, constipation, sick headache and biliousness that it was necessary to produce the preparation in large quantities.

If you are not satisfied with the relief obtained bring back the empty bottle and your money will be cheerfully refunded.

LULY-DAVIS DRUG CO., at Jacksonville, Ill., will mail you a bottle, postpaid.

What Does It Mean?

It simply means that should you now have occasion to visit our tire repair shop you would easily understand why your tire deliveries have been delayed.

The Rest of Our Complete Equipment is Now Here

Upon your entrance to our shop, "Oh! Now I see," would be your first words.

We could have finished your work sooner by making use of other models. But this would not have been doing justice to either you or us. For the system we are now using is far ahead of any other equipment we could have secured.

Bring your old tires to us and let us repair them right so that they may give you the greatest possible service. We guarantee our re-treads for 3,500 miles. And don't forget our work is all hand built.

See the NEW ELGIN SIX today.
Only two models left at the old price.

These are two of the best values on the market. Also we have two model \$5 Overlands in first class condition. Either one is a real bargain.

Household Needs for Summer Time

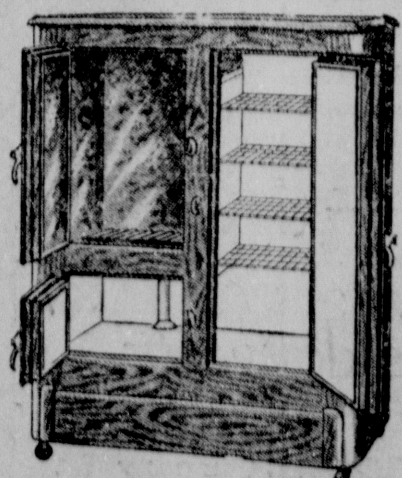

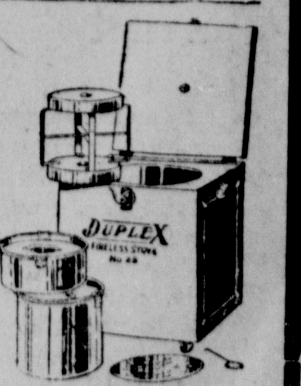

We have just added to our stock of "summer comfort" goods, the Duplex Fireless Stove. This stove will cook, bake, roast, boil, steam—in fact anything your hot coal range will do—and at practically no expense at all.

The Clark Jewel and Revonoc Oil Stoves are giving splendid satisfaction wherever used. We carry them in sizes to meet every family need. An Oil Stove is a hot weather necessity in every household—keeping the kitchen cool and comfortable at all times. It makes an intense heat—but only where wanted—directly against the bottom of the cooking vessels.

Duplex Fireless Stove

You can cook your entire meal in a Duplex, which has many superior points over any other fireless cooker. The cooking vessels are larger and deeper. The stone disks are protected from chipping by an aluminum band and can be heated in 10 to 20 minutes over gas, gasoline, alcohol or oil flame sufficiently hot to cook the entire meal.

In refrigerators we offer you the two best makes we know of—the Sitka and Success. Both of these ice boxes are modeled according to scientists most approved methods for the conservation of ice—built like a steel vault—handsome in appearance—strictly sanitary in every arrangement. Their only difference is in points of style. If in the market for a refrigerator, we want the privilege of showing you our splendid values.

DEATHS

Whitlock.

Alexander Whitlock, a well known resident of Franklin died at his home in that city Thursday morning at 9:30 o'clock. Mr. Whitlock had been in failing health for several months but his last illness was of only ten days' duration.

Deceased was the son of John and Rebecca Whitlock and was born in Washington County, Tennessee, June 10, 1849. At the age of 21 years he enlisted in the United States in the Civil War and helped run the blockade at Vicksburg. He served with distinction throughout the conflict.

June 15, 1865 Mr. Whitlock was united in marriage to Miss Mary C. Bowyer. They were the parents of ten children four of whom survive. They are: William Whitlock, Concord; Jesse Whitlock, Harbor Springs, Ark.; James O. Whitlock and Miss Bertha Whitlock residing at home.

He also leaves the following brothers and sisters: George Whitlock, Downing, Mo.; John Whitlock, Mrs. Eva Gottschall and Mrs. George Barnes, Schafflin.

For the past thirty five years Mr. Whitlock has resided in Franklin where he commanded the respect of the entire community. He was a member the Methodist Episcopal church and also the Masonic fraternity. Both in his church and fraternal relations Mr. Whitlock was faithful and he will be missed in these organizations.

Funeral services will be held from the Franklin M. E. church Sunday afternoon at 3 o'clock in charge of the Rev. H. W. Miller with burial in Franklin cemetery.

German.

John German a well known farmer of the county died at his home five and one half miles southwest of the city at 2:10 o'clock Thursday morning.

Deceased was born in Germany October 21, 1832 and at the time of death was 86 years, 8 months and 5 days old. He came to the United States in 1853 and first settled in Chicago. Later he resided in Tuscola but came to Morgan county many years ago where he has since made his home.

He was united in marriage to Miss Johanna Butcher who preceded him in death 19 years ago. They were the parents of twelve children all of whom survive.

They are: Mrs. Sophia Schumaker, Lamar, Mo.; Mrs. Frances Tripp, Lebanon, Kans.; Mrs. Minnie Lambard, Kansas City, Mo.; Mrs. Ida Murphy, Belleville, Ontario; Mrs. Emma Edwards, Detroit, Mich.; Mrs. Mary Schweiger, Modesto, Ill.; Mrs. Lizzie Wiegand, Mrs. Anna Reuter, Mrs. Hannah Carroll, Mrs. Carrie Wahrenbrock all of this city and John and Edward German, residing in the county. The deceased also leaves two sisters, Mrs. Louise Thies, of Jacksonville and Mrs. Schultz of Erie, Pa., forty-two grandchildren, twenty-six great grandchildren and three great great grandchildren.

During all his years of residence in Morgan county, Mr. German followed the occupation of farming and was accounted successful in his calling. He was a member of Salem Lutheran church and was faithful in his worship so long as his health permitted.

Funeral services will be held from Salem Lutheran church Saturday afternoon at 3 o'clock. Burial will be in Diamond Grove cemetery.

DR. MILLIGAN TO SERVE ON TUBERCULOSIS BOARD

Dr. Josephine Milligan of this city has been appointed a director of the National Tuberculosis association the appointment having been made at the recent meeting at Atlantic City. The notice of the appointment came in a letter from Dr. Charles L. Minor, co-president of the association and chairman of the nominating committee. In his letter to the local organization Dr. Minor expressed the satisfaction of the national association in having the local physician as a member of the board. Dr. Milligan's two years' service in France has won for her wide prominence and recognition and the appointment just announced is a distinction well merited.

VANDALS AT WORK

Vandals were at work at the Methodist church social at Lynnville a few evenings ago. When residents of that vicinity started home in their cars they found that eggs had been placed on the seats and did considerable damage to the clothing of the occupants and the upholstery of the cars. There has been considerable of this kind of work in and about Lynnville and there is a suspicion who the guilty parties are and if they are apprehended they will be severely dealt with.

AT NORTHMINSTER.

At the musical to be held at the Northminster church this evening at 8 o'clock Dr. W. E. Spoons and Sgt. George Vasconcellos will speak about their war experiences and will show a number of souvenirs.

We Sell Implements Twice Guaranteed

Buying Implements from Us is Like Taking a Two-Name Note—Its Safer

No matter how well you may know a man, nor how much confidence you might have in him, if he wanted to give you his note guaranteeing future payment of a loan, you'd just a little rather have some other reliable party share the responsibility with him.

When we sell an implement, we guarantee it to be all we claim it to be.

But behind us stands the manufacturer of that implement—he shares the responsibility with us. This two-name guaranty applies to every implement we sell—no matter whether it be

an engine plow or spike-tooth harrow. Big and small purchasers are protected equally.

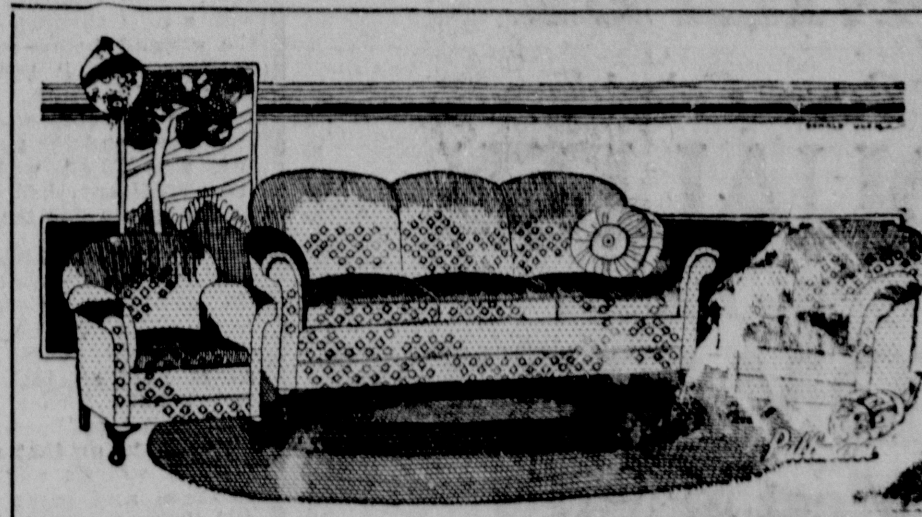

We wouldn't handle goods of the manufacturer who wouldn't stand back of everything he claimed for them.

And so you have real assurance that you are getting just what we say you are getting when you buy from us. Both our reputation and the manufacturer's reputation are at stake.

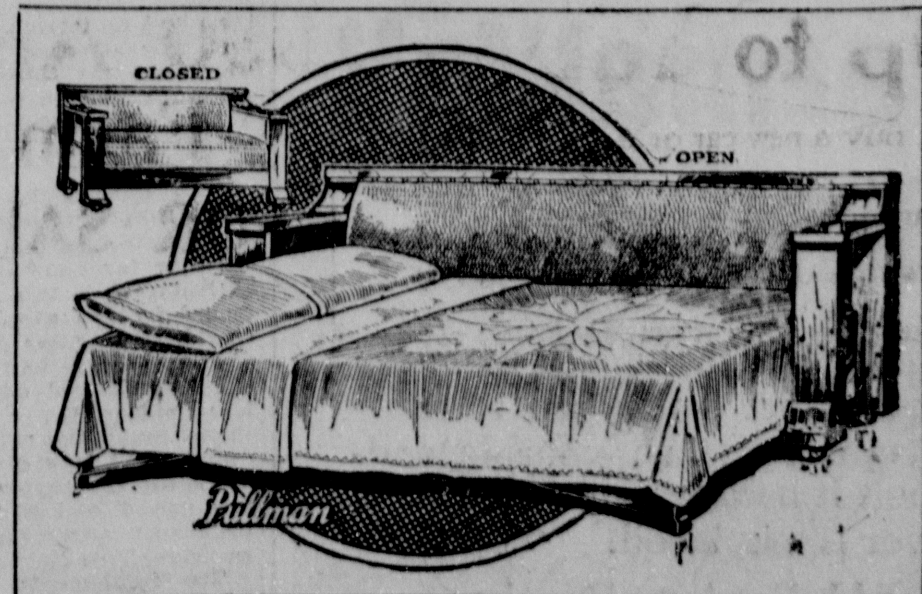

Drop around to the store some day—we want you to see what we have.

Hall's If It's from Hall's That's All

MRS. THERESA GREEN NEARS CENTURY MARK

Aged Woman Talks Interestingly
of Early Days—Is Able to Sew
Without Aid of Glasses—Re-
sides With Son, B. D. Green
North of City.

"If I live two years more I shall be a hundred years old," said an old lady with placid face as she sat on the porch of her son's residence sewing without spectacles, patchwork pieces. The lady was Mrs. Theresa Little Green, now living with her dutiful son B. D. Green and family about seven miles north of the city.

She was born in Kentucky, Feb. 8, 1821, but doesn't recall the name of the county or nearest postoffice. In 1828 the family moved to Ralls county, Mo., and there she resided till 1914 when she came to the home of her son in this county where she is receiving kind and tender care and treatment.

Aside from deafness she retains her faculties wonderfully well. She takes care of her room herself, makes up her bed and gets about all right and puts in much of her time sewing patchwork.

She was married to John Eli Green in 1840 and was the mother of nine children: William, dead; Jane, Mrs. James of Florida, Mo.; Jerome, dead; John, dead; Thomas of Arkansas; B. D. of this county; Philip and John Eli of Hull. The father died 23 years ago. Tho the mother of such a large family she has but 24 grandchildren and eight great grandchildren, and four of the latter are married. She has but one tooth in her head but manages to eat very well though her meat she wants well cooked and soft. She eats bread and milk for supper and her diet generally is simple. Before coming to Illinois she had not had a doctor's services for 25 years and here she has had medical advice only for minor complaints. The family are members of the Catholic church and faithful to their belief.

In Early Days.

Both Mrs. Green and her son had many interesting things to relate of their early days. The removal to Missouri was made with oxen and was slow enough. They used the safe faithful creatures for some time in cultivating the land. Indians were numerous about them having their wigwams in the adjoining timber but were not dangerous. They would walk about noiselessly in their soft moccasins and often a good housewife would be startled by a gruff voice and looking about would see an aborigine who would be satisfied with a luncheon from the white man's supplies. One time Mr. Green said he and his brother dug into an Indian grave and reached the skeleton which had been there many years and found also the tomahawk and arrows buried with the body. Their father made them fill up the grave in short order.

The father was a faithful soldier on the union side in the civil war for three years but the family didn't know any particulars regarding the command in which he served.

The home was plain log cabin with not an ounce of metal in it. The floors and doors were puncheons, which means than pieces of logs split and smoothed with a broad ax, the hinges and door latches were of wood; the roof was held down with weight poles and the windows were supplied at first with greased paper. Many a time the spaces between the logs, stopped with sticks and mud which would shrink, would open enough to let in the snow which would be sifted on the bed and floor. The bedstead was made with a post through the floor into the ground below and a rail extending from it two was to the sides of the house. A foundation for the sleepers was made with lynn bark and the mattress or bed tick was filled with boughs of trees until they had enough straw on the place for the purpose.

Plain Living.

A few sheep were raised and the wool from them was taken forty miles to Hannibal to be carded, that is, made into rolls about half an inch in diameter and twenty inches long. These were spun at home and women into the jeans that made dresses for the women and "warmuses" or coats and pants for the men and these garments lasted a long time. The children went absolutely without shoes, summer and winter, till they were twelve to fourteen years old and Mr. Green said they didn't mind stones or roughest surface and snow for them had no terrors. He said the first pair of shoes he had was when he was thirteen years of age. He had an uncle who was a shoemaker and taught how though the shoes were more useful than elegant.

Corn formed the principal article of diet and was ground into meal sometimes in a water mill not very far away and sometimes at home with two rough stones turned by the oxen. There was considerable game in the shape of deer, wild turkeys and the like and that helped out the bill of fare materially. Supper was simply mush and milk and to this day the old lady eats only bread and milk for supper. Some flax was raised and that helped out the family wardrobe with the linen made from it.

The implements were indeed primitive. Plows had wooden holdboards and the oxen had hard work to draw them. Wheat was threshed on a hard place prepared on the ground where the sheaves were placed, tramped out by horses or oxen, the straw pitched aside and the grain separated from the chaff with a hand turned windmill. Many a time the writer has seen men peddling

these primitive machines about the country.

Limited School Privileges.

The school privileges were few and poor as the teachers knew but little more than the pupils they taught. The pay was poor and the instructor had to board around and finally when she was able to appear in calico or ginghams she was immensely aristocratic in her "store clothes." Sometimes there would be log rollings when hundreds of cords of good wood would pile up in the shape of big logs to dry out and be burned. Then when corn was more plentiful they would "snap" several wagon loads, that is break it from the stalk without removing the husk, pile it in two heaps and have the neighbors come from far and near and husk it.

Mrs. Green insists they were even happier then than young people are now and certainly stronger and more healthy. At a town named Swinkey there was a church of their faith which they attended.

Cooking was done in a primitive manner. The great fireplace was supplied with the crane from which hung the S hooks to which were hung kettles for boiling. Corn pone was made on a pone

board and the dutch oven served for other baking. It was a large cast skillet with long handle and legs and a cast top to put on. The dough was placed in this, the lid put on and all was covered with coals and the baking was accomplished.

There is no end to the things that can be told of those early days and the story is always interesting. Mrs. Green bids fair to see the century mark and even more for she is hale and hearty and had kind and loving care. Her son's family are interesting and the writer was treated very courteously while at the home.

WARNING

FRANK KILORAN
Acting Chief of Police

Hiney Summers of Bluffs, recently discharged from the base hospital was a city caller yesterday.

RED CROSS NURSE RETURNS FROM FRANCE

Miss Helen Carter, who has spent nearly a year past in Red Cross service in France, has returned and is now at the home of her parents, Mr. and Mrs. W. W. Carter, south of the city. The return voyage was made on board the Prince Frederick Wilhelm which landed in New York on June 19. Miss Carter, who is a graduate of St. Luke's hospital in Chicago, enlisted in the early days of the war and left the U. S. in July, 1918 for overseas service. The first months in France were spent at base hospital No. 14, located near Mars. Later Miss Carter was at convalescent hospital No. 4 at Nice, and the conditions here were of the most desirable kind.

Naturally the members of Miss Carter's family and her numerous friends are greatly rejoiced to have her again in their midst, and to know that she will remain in this county for the summer months at least.

THE LAST WEEK OF THE TONEAL MAN

Ladies' Millinery Contest Tonight — Tonal Treatment proves Phenomenal Success In the City of Jacksonville.

Never before in the history of Jacksonville has a man created so much comment as Daly, who has been demonstrating the marvelous Tonal treatment for the past three weeks at his headquarters at the show grounds at Billy Sunday street. Many benefits bordering upon miraculous have been accomplished upon prominent citizens, who vouch for Tonal. People who were so sick that they had given up all hope of every getting relief, at last found it in Tonal treatment. Men, women and children speak very highly and recommend it. The names and addresses of these people have been published previously in the columns of the dif-

ferent papers and they will verify the facts in each case. They are citizens who would not allow their names to be used if it were not for an honest purpose. This is positively the last week to see the Tonal man as his engagement here in Jacksonville closes next Saturday night. People who are sick should take advantage and call one day this week if they wish to see the doctor. His hours are 10 to 12 mornings and 2 to 4 afternoons every week day at the Pacific Hotel. An excellent program has been arranged for tonight, the millinery contest being the feature. Tonal Remedies for sale at Armstrong's Drug Store—Adv.

COMPANY C TO GO TO CAMP JULY 19TH

Captain James Very Anxious to Put the Command in Good Shape and Get 20 Recruits.

As already stated, Company C is to go into camp July 19th and Capt. James is very anxious that it shall be second to none in the 6th regiment. To that end he means to have drills twice a week. Beginning next Monday the captain wants all men to hold themselves in readiness for the drills and all else pertaining to good discipline and success of the work. He also wants twenty recruits of age between 18 and 45 and would like to have them at once so they may go with the company and be well drilled by camping time. There is a fine opportunity to get military drill and have a pleasant time with a good set of men.

BATH HOUSE OPEN
The ladies' bath house at Nichols Park is open today for the season. Come out and enjoy yourselves.

EXILE HAS INTEREST IN ARCHAEOLOGY

Former German Emperor Has Re-sumed Former Interest in Archaeology as Means to Keep His Mind from Dwelling Constantly on His Position.

Amerongen. (Correspondence of The Associated Press.)—A resumption of his former interest in archaeology is one of the means adopted recently by the former German emperor to keep his mind from dwelling constantly on his position. Professor Duerfeld, one of the most eminent archaeologists of Germany, came to join the Hohenzollern circle a month or so ago and since his arrival has spent several hours almost every afternoon in his former monarch's company.

Every phase of archaeological research is discussed during these conversations, in the course of which the professor entertains the exile with details of the discoveries made by him and his companions in Palestine, Syria and other sections of the Near East. The professor is an old companion of Hohenzollern with whom he spent some time on the island of Corfu, where the one-time German ruler owned the Castle of Achilleion.

Even at the dinner table archaeology is now the main subject of conversation, for reference to the war is tacitly taboo when the erstwhile emperor and his consort join the family circle of the Bentincks. On these occasions both Hohenzollern and his immediate suite, including the body physician Dr. Forester and Professor Duerfeld, wear military uniforms. The Bentincks, although some of the members of the family have the right to wear uniform, always appear in civilian dress.

At present the entire suite except the Marshal of the Court, Von Gontard, reside outside the castle, either in the village inns or in rented cottages. All of them have full liberty of movement about Holland, but their appearance passes entirely unnoticed as they never travel in uniform.

BIG DROP IN OIL

Do you realize that for a long time you have been paying too much for motor oil? I will sell you Six ALUMINUM CHECKS FOR \$1.00, each check good for one quart of oil. (Most garages charge you 25c quart.)

NORTONVILLE
Mr. and Mrs. Harry Fanning and three children were recent visitors in Jacksonville.

Mrs. John Anderson has been ill for the past few days but is now improving.

Mr. and Mrs. Elmer Story and little daughter of Murrayville were recent guests at the home of Thomas Story.

Mrs. Clyde Oxley has been on the sick list the past week.

Henry Whitlock and family and Thomas McNeely and family took dinner Sunday with Edward McNeely and family.

The Nortonville community club will give a social for the soldier boys of the neighborhood at the park, as soon as they all return, which it is hoped will be soon.

It is feared that the rain and wind storm of Tuesday did a considerable amount of damage to the corn and wheat in this vicinity.

John Covey had the misfortune to have his barn and smoke house and sheds blown away in the storm of Tuesday.

Harry Fanning recently painfully injured his hand when in some way he ran a pitch fork prong into the member. The wound is a painful one but it is hoped no ill effects will follow.

Mr. and Mrs. Edward Lumsden spent a day recently at Ceres and while there Mr. Lumsden purchased a fine milk cow.

FOR SALE
Ford roadster, bargain if taken at once. Martin Bros.

FROM A SOLDIER.

Editor Journal:
Just a few words in regard to Morgan county showing us boys a good time July 4. We are grateful to the contributors to the fund but all the boys will not be in the parade. Why? It is too long a march in the hot sun from down town clear out to the Nichols park. Then about the "eats." When the soldiers march to the park tired and hot they will see a fine chicken dinner before them and not be able to eat. Why? Take a census of the creeds of the boys in this county and you will find 42 per cent Catholic. July 4 is on Friday and these conscientious Catholic soldiers will not eat meat on that day. Let the committee should take this fact into consideration in arranging for the "feed" on that day. Do you blame some of us for not planning to take part in the festivities? We are willing to join and gladly would, but—An Overseas Ex-Soldier.

SERGT. WALLACE CARTER

LANDS IN U. S.
Mr. and Mrs. W. W. Carter, residing south of the city, received a telegram yesterday announcing the arrival in the U. S. of their son, Sergt. Wallace Carter. The young soldier is now at a camp in Vermont and his relatives here are expecting his early return to his home here. Sergt. Carter was among the first of the Morgan county men to enter service and was located at Camp Taylor for fourteen months. He sailed for overseas duty eight months ago, and was located at base hospital No. 119 during all the period that he was in France.

SOCIAL AND CONCERT AT MANCHESTER

Worth While Girls and Busy Bunch of Baptist Church Plan Social and Band Concert—Neal Dreannan Injured by Fall—Other News Notes.

Manchester, June 24. — The Worth While Girls and Busy Bunch of the Baptist church are to give an ice social and band concert by Rawlin's band Friday, June 27th in the park.

Ollie Walker spent Sunday with Carl Brown and family. Miss Martha King returned to her home in Gilman after an extended visit with friends and relatives here.

Lucille Hardy is visiting her cousin, Miss Mary Seeger of Springfield. Mrs. Mattie Roach and children of Jacksonville visited relatives here Saturday and Sunday.

Mr. and Mrs. Claude Heaton, Mr. Boyer and Mrs. Nettie Barber were in Jacksonville Saturday.

Miss Josephine Murray of Hillview visited her grandmother, Mrs. Rochester Saturday and Sunday.

Margaret Clark of Havana, Kans., who has been visiting relatives here for several weeks, left for Cape Girardeau, Mo. Friday to enter school.

Miss Mina Greenwalt returned home from her month's vacation Sunday. Miss Greenwalt visited in Champaign, Moline and Lincoln while away.

Neal Dreannan, delivery boy on Saturday for Chas. Smith, climbed an iron pole in front of the bank.

Saturday and swinging his head downward was unable to hold the weight of his body with his feet and fell with great force on the concrete walk. He was unconscious for some time, but it is thought nothing serious will result from the fall.

WORKING IN WHEAT

A. A. Curry has a tractor operating two machines on his farm in the Pisgah neighborhood. There are 240 acres of wheat there and Mr. Curry is expecting to harvest about 40 acres a day with the two binders.

B. D. Green, who lives seven miles north of the city, recently secured a tractor for his binder, as the field was too heavy for horse power. Mr. Green figures his loss, thru heavy rains as at least \$600.

NAMES OF FALLEN SOLDIERS

The name of Mente Otto Williams was yesterday added to the list of Morgan county soldiers who died during the war period. Miss Hadden at the Farrell & Co. bank in behalf of the executive committee, is compiling the list and any person who knows of the name of any deceased soldier which is not in the list will confer a favor on the committee by notifying Miss Hadden. Young Williams, who is buried at Chapin, was one of the first soldiers of the war to succumb to disease.

W. F. M. S. ANNIVERSARY AT EBENEZER CHURCH

Fortieth Anniversary of Woman's Foreign Missionary Society Observed at Ebenezer Church Thursday — Program Was of Special Interest.

The Ebenezer Woman's Foreign Missionary Society observed its fortieth anniversary with an all day service at the church Thursday. A large company enjoyed the occasion, notwithstanding it was such a busy time with the farmers, many of whom were cutting their wheat and plowing their corn before the wheat would be ready to cut.

The program began at eleven o'clock a. m. and was as follows:

Devotions were conducted by the pastor, Rev. James O. Kirkpatrick, followed by the regular business session.

Welcome greetings—Mrs. Fletcher Blackburn.

Response—Mrs. W. H. McGhee of Murrayville.

Song—Myra Kirkpatrick.

After the benediction by Rev. Harry Willard of Franklin, the meeting adjourned for dinner which was a great affair, just such as the Ebenezer women are accustomed to prepare and serve.

After the social hour which was greatly enjoyed the friends assembled for the afternoon program which was as follows:

Devotions—Rev. W. H. McGhee.

Piano solo—Lois Willard.

History of the forty years was presented by decades:

First—Mrs. W. H. Jordan gave an account of those first ten years. The story read like a fairy story and revealed the devotion of those noble women who gave their time and devotion to this cause.

Second decade was presented by Miss Luella Blackburn, who also read the paper descriptive of the third decade written by Mrs. O. G. Digwiddle, who could not be present owing to the harvest.

The two decades were filled with interest and showed the quiet growth of the society and gave also a picture of the times and people who had to do with the society.

The fourth decade was presented by Mrs. Edward Patterson who gave a description of the past ten years of growth and mentioned the change which had come in the matter of raising their finances.

The past year the society gave more than the first decade.

Musical Program.

The music was especially good and was provided by several friends. The anniversary song, written by Mrs. Edgar Martin, was sung as a trio by Mrs. Edgar Martin, Mrs. Sinclair Campbell of Tuscola, Ill., and Miss Myra Kirkpatrick. A duet was sung by Mrs. Edgar Martin and Miss Myra Kirkpatrick.

Song—Miss Elsie Deweese.

The "Little Light Bearers" gave a part of the program by presenting two duets; Esther and Maurice Mason gave one and Eleanor and Ethel Cully gave another, to the delight of all.

Greetings from former members and also greetings from absent members was an interesting part of the program. Mrs. Harry Willard and Mrs. W. H. McGhee spoke and letters were read from Mrs. W. A. Boyd, Mrs. Greenberry McElfresh and Mrs. Floy Fessler.

Rev. W. H. McGhee gave a talk along the lines of the success of mission work. Mrs. J. O. Kirkpatrick gave a short talk on the necessity of reading the literature of the women's work and the pastor spoke briefly on the great need of all women getting the vision of the Master and taking part in the great program to take this world for Christ. As this was the Fortieth Anniversary and the society had only thirty nine members, he suggested that the number be raised to forty and gave a chance for volunteers to present themselves for membership. Four new members joined, thus making the number forty-three.

At this juncture Edmund Blackburn, who has been a life long member and contributor of Ebenezer society, arose and spoke, and offered the necessary money to make his daughter, who so soon will go to Bulgaria, a life member of the society. This was received with joy by the great company.

The new members are Mary Black, Elsie Cully, Ethel Masters and Mrs. John Paschall. After the benediction by Rev. Harry Willard the company departed, feeling that the day was most profitably spent and a day long to be remembered.

Anniversary Song.

The anniversary song written by Mrs. Martin was heartily received, and follows:

We are gathered in happy reunion dear friends,

On this glad anniversary day;

And each heart in deep gratitude upward ascends

For the love of God hath shown all the way.

Now in fellowship sweet, We most joyfully greet

One and all with a welcome sincere.

May our coming together have not been in vain

But a blessing to each, thru the year.

There are those of our members who've gone on before;

Now their labor of love we recall. They are safe in the home on the bright golden shore

God hath promised his faithful ones all.

Their works well begun

May we carry on.

Never falter nor fall by the way; That to us, as to them, God may answer "Well done."

When we come to the end of the way.

Oh God of the nations, the Saviour of all,

Bless our lives in thy service, we pray;

And with loving devotion we answer thy call.

Glad to labor and serve while we may.

Then in Jesus' dear name, Glad tidings proclaim,

Tell the world of his wonderful love!

When our service is ended, we'll join in the song

"Round the throne in his Kingdom above."

From County Agents Office

Harvest Help—The grain has ripened so rapidly that an unusual demand for help exists. Several firms have already released men to shock wheat and more would doubtless do so, if their patrons made a personal appeal. This office has sent requests for additional help to the U. S. Employment offices at Alton, St. Louis and Chicago. If the situation gets worse we must arrange for workers to go out after the business houses in town have closed.

Meeting of Threshermen—The meeting of threshermen in the county court room was not largely attended. E. O. Caldwell was elected chairman and L. R. Caldwell secretary. No important business was transacted but another meeting will be held at 3 p. m. new time, Saturday for the purpose of settling several questions of general interest to the threshermen. A large attendance is desired.

Wheat Conference—D. O. Thompson informed the Farm Advisers at the meeting at Urbana on Tuesday that he was present at a conference between wheat producers and Director Barnes of the Grain Corporation. The producers advised a premium of 2 cents per bushel per month to producers for all grain held on the farm the premium to begin when the harvest is commenced, and perhaps to cease February 1, 1920. If a local elevator bids below the price to which farmers are entitled, an appeal to the zone vice president is advised. If his decision is not satisfactory, a further appeal may be made to the director. In the event of dissatisfaction of over grades a fair sample may be taken by the producer and the dealer and sent to the zone vice president, put in an airtight container. The decision of the zone vice president shall be final.

Multiple Hitch Demonstration—One feature of the conference of farm advisers at Urbana was a multiple hitch demonstration on Tuesday. Both the four horse and six horse hitch were demonstrated. This hitch eliminates side draft and equalizes the pull in a way that represents an advance over previous methods. By the system known as tying in and backing back each team is automatically directed and checked if there is any disposition to go too fast. The hitch is recommended for binders as well as plows. On binders it will certainly tend to prevent overheating of the inside horses, for the teams are arranged tandem. We hope to have such a demonstration here in the near future.

LIEUT. PHALEN HERE

ON FURLOUGH

Lieut. W. H. Phalen, 9th Engrs., regular army, now stationed at El Paso, Texas, is in the city visiting relatives and friends. The lieutenant is a former resident of Jacksonville but for several years previous to his enlistment has resided in Mason City. Lieut. Phalen is in a cavalry regiment and he is chief veterinarian. Aside from looking after the condition of the troops' mounts, Lieut. Phalen has to inspect all the meat, milk and other supplies brought into camp and also to inspect the herds where milk and cream are purchased. He does not know when he will leave the service, at this time rather considering remaining in it.

Lieut. Phalen is a brother of August Phalen who went into the service last year and now is located at Coblenz in Germany.

THE SOUL OF MAN CRIES OUT FOR GOD

Evangelist Mitchell Says What- ever Else Man May Have He is Not Satisfied Without God—Beautiful Sermon on Belief in God—Eleven Conversions.

There was another great meeting at the Gospel tent on South Main street last night. Evangelist Mitchell had announced that it would be "Soap Night," and asked each one who came to bring a bar of soap. A large collection of soap was received, which the evangelist announced he intended, if no one objected, to give to Chaddock Boys' School, Quincy.

Mr. Shimer sang very effectively "Mother's Prayers Have Obedience Mo." and Mr. Mitchell preached a clear, forceful sermon from the text, "Oh that I knew where I might find Him," Job 23:3. Job was a sort of magaphone voicing the cry of the whole world. Whatever else we may have in this world, the soul cries out for God, and will not be satisfied without Him. How can we find Him?

First, thru the physical senses. No reasonable man can look on the world around him and the heavens above and not see God there. He cannot hear the music God has put in the world and not hear in it God's voice.

Again, God reveals Himself thru our spiritual senses. Here only can we find God in His full glory. Men say they cannot believe what they cannot see, and understand. But did you ever see love? Can you understand it? You can't see or explain gravitation, yet you believe in it. So with the knowledge that comes thru the exercise of the spiritual faculties.

"We know God," says John and "We know we have passed from death to life." One man's ignorance is no argument against another man's knowledge. It is not in science, and it is not in religion. Just as the blind man whose eyes Jesus opened declared, "One thing I know, whereas I was blind now I see," so the Christian knows the reality of his spiritual experiences. He knows God because he has come into personal relationship with Him.

Finally, we see God in Christ, to Philip He said, "He that hath seen Me hath seen the Father." He was God manifest in the flesh. You say He was a man; yes, he hungered, as a man, but He fed the 5,000 like a God. He slept like a man, but He stilled the tempest like a God. He was crucified and died like a man, but He arose like a God, and ascended into heaven.

Eleven persons accepted the invitation to come forward for prayers, all of whom professed conversion, and the meeting closed with an earnest testimony service.

Quite a delegation from Murrayville was present to add to the enthusiasm of the occasion.

The prayer meetings this morning, from 9:30 to 10:00 o'clock will be held at the home of Mrs. Daniel Barton, 928 S. East street, George E. Belzer, 1153 South Clay avenue, and Mrs. Mary Whewell, 1415 South West street.

BOYS! ATTENTION!

We will send up a balloon Saturday p. m. to which a key is attached. The one who returns key gets \$1.00 worth fireworks free.

MISS OLMSTED AND PARTY

REACH DESTINATION

Miss Katherine Olmsted and other members of the auto party which left here two weeks ago for Cheyenne, Wyo., have reached their destination without serious mishap, according to word just received by friends here. Miss Olmsted will work among the babies of an Indian reservation in the vicinity of Cheyenne, and the members of the party will occupy a cabin which has been made ready for them. The cabin is located nine miles from a railroad but is in the midst of some charming mountain scenery. The members of the party are looking forward to some very pleasant months in their mountain home. Miss Olmsted's work will be largely in combatting a contagious eye disease which is quite prevalent among the Indian children.

NO PRIZES FOR

AUTO DECORATIONS

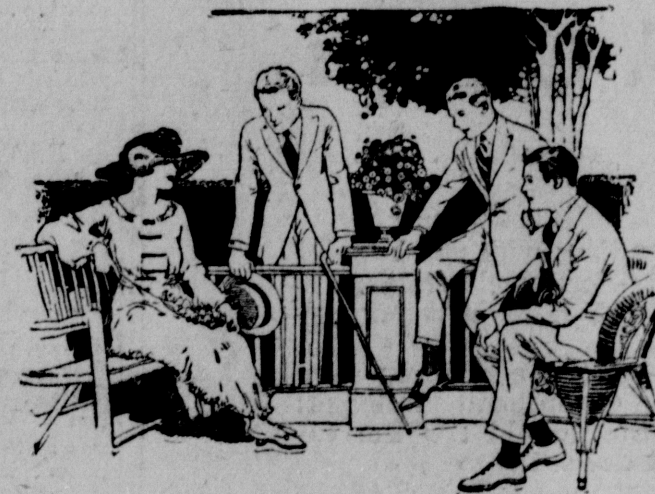

It was announced yesterday by the committee of which Frank Plover is chairman, that it had been determined best not to offer prizes for the best decorated automobiles in the parade of July 4. It had been the original intention to offer such prizes, but for various reasons the committee has decided that the plan will not be feasible and the change accordingly was made.
